

Casa Reom News

December 2019

Thank You

As we come to the close of another year, we want to say thank you to all those who support Casa Reom. With your help we have been able to do so much to help the boys and staff at Casa Reom, the pupils in Escola Reom and so many others in the local community.

The trustees wish you a Happy Christmas and a good New Year!

Christmas Gift Cards

Looking for a last minute Christmas gift? Do you want to give something really special this Christmas? You can give someone a Casa Reom Gift Card!

To get a Christmas gift go to www.casa-reom.org.uk/christmas

School's Out

After an eventful year, the boys at Casa Reom have successfully completed the school year. Escola Reom has also finished for the summer holidays. It was quite an achievement to get Escola Reom up and running again after the cyclone and it was one of the first schools to re-open. Casa Reom staff helped the teachers repair their own homes and gave emergency aid to their families so that the pupils wouldn't miss out on their education - a real community effort!

All of the boys recently celebrated with Pedro, who graduated in November with a Diploma in General Medicine. Pedro had a challenging time in his final year, taking on significant responsibility in the hospital where he trained. He hopes to begin working in a local hospital early in 2020. Well done Pedro!

New Houses

During the past month 7 families whose homes were destroyed by cyclone Idai have received the keys for their new houses. This YWAM project, managed by staff at Casa Reom, is showing the people of Beira a method of building stronger homes. The families who will live in these homes now have a new start and fresh hope for the future.

Nelio and Tabita

Nelio and Tabita joined the Casa Reom staff team in May 2019 and helped Casa Reom recover from Cyclone Idai. They now have increased responsibilities as they continue to find their place and use their skills.

Tabita is a trained youth counsellor and helps look after the general welfare of the boys at Casa Reom. She also manages the daily administration for Escola Reom.

Nelio previously worked in customer support for a mobile phone company and looks after the day-to-day running of the Inhamizua site. He also enjoys passing onto the boys his tailoring skills, teaching the boys on his sewing machine. Nelio and Tabita have three children, Nelsia, Hirondina and Melquisedeque.

Raising £1000

We launched our appeal last month to raise an additional £1000 per month toward Casa Reom's running costs. We want to reach more people who would like to make a lasting difference to the lives of people in Mozambique.

Would you like to become a regular donor to Casa Reom? For further details go to www.casa-reom.org.uk/raising-one-thousand. If you already give, maybe you could encourage someone else to become involved?

Casa Reom Trust
